Re: Michael Cetta, Inc. d/b/a Sparks Restaurant
Cases 02-CA-142626 and 02-CA-144852

**PARTIAL EXTENSION OF TIME TO FILE
RESPONSE TO NOTICE TO SHOW CAUSE**

The Respondent's request for an extension of time in the above-referenced cases is granted in part.

The Respondent requests an indefinite postponement of its obligation to respond to the Notice to Show Cause why the Motion for Partial Summary Judgment should not be granted, until the Chief Administrative Law Judge either appoints or declines to appoint a Settlement Judge. Alternatively, the Respondent requests an extension from September 9, 2020 to September 30, 2020. Previously, the Respondent requested a "extension" to respond to the Motion for Partial Summary Judgment. The Respondent had stated that it was "essentially asking that the matter be held in abeyance, pending assignment of a Settlement Judge." This office denied that request given that the fixed time for filing an opposition is tied to a formal hearing date, and the hearing was at a date to be determined.

Upon consideration of the Respondent's request, the due date for the receipt in Washington, D.C. of the response to the Notice to Show Cause why the Motion for Partial Summary Judgment should not be granted is extended to September 22, 2020. This extension applies to all parties.
